

Jeff,

It was a pleasure getting to meet you and your staff. I was part of the Montoya group and just wanted to let you know that we had an incredible time at your Ranch. Like I mentioned to you I'm not much of a hunter but I'm so glad I went on this trip. All of my friends are huge hunters and I just basically tagged along to learn and boy did I learn.... All of us had an incredible time.....

I was so proud of Luke the little guy in the green shirt below who took out a Bull Elk. His dad planed the trip and had three generations his dad Benny, himself (Michael) and his son Luke.... Fantastic experience and wonderful memory they will cherish for the rest of their lives....

This was a father and son trip and I was the only bimbo who did not take my son..... I should have taken my son (Isaiah) looking back. He is a better hunter than I am and his birthday was October 18, 2016 what better birthday gift then a hunting trip with his dad. Looking back I would have taken my custom made riffle that sits in my gun case collecting dust and would have had my son take something down like the American Bison.... I'm so disappointed that I did not take him on this trip that won't happen again..... I really did not know what to expect but now that I have experienced it firsthand I will be ready for our next trip....

I also wanted to thank you for taking time to congratulate Little D (Derrick Martinez) the 13 year old who took out the Aoudad Sheep with 31 inch horns. He did this with his bow which I think is Incredible.... He and his dad are doing a full mount and this will be the start of his trophy case. As a 13 year old he already has 7 kills and has a huge future in hunting as that is his passion..... Some day he may end up being one of your guides.....

Your wife and her staff were very nice and made us feel like we were at home.... The meals they prepared were delicious and the best surprise was Mr. Brian Lewis he was AWESOME..... I could listen to him play guitar all day long.... When he played the guitar for us and sang your personal song and then played I think my dog is a democrat I could see nothing but smiles in the room.... It was speechless, something you just have to experience... Anyway I have some really good photos to send you and will do so but just wanted to forward the one below and say once again thank you..... Tell all of your staff the Montoya group says hello from Albuquerque New Mexico...

Have a blessed day,

Mo Vigil
